SOUND PHYSICIANS LONG TERM CARE MANAGEMENT, LLC

Sound Physicians Long Term Care Management, LLC (“*LTCM*”) operates an accountable care organization (“*ACO*”) that has entered into a Participation Agreement with the Centers for Medicare and Medicaid Services (“*CMS*”) effective January 1, 2023, through which the ACO participates in the Medicare Shared Savings Program (“*MSSP*”), created under Section 3022 of the Patient Protection and Affordable Care Act (Pub. Law No. 111-148, as amended by Pub. Law No. 111-152 (2010)).

The Secretary of the U.S. Department of Health and Human Services, through a rule released by CMS and the Office of Inspector General, has provided two (2) waivers of federal fraud and abuse laws in connection with the operation of the MSSP during the three-year Participation Agreement term (80 Fed. Reg. 66726 (Oct. 29, 2015)) which require public disclosure of the underlying arrangement for which waiver protection is sought: (1) the ACO Pre-Participation Waiver; and (2) the ACO Participation Waiver.

These waivers are applicable only when, among other things, the governing body of the ACO has reviewed and made a *bona fide* determination that an arrangement is reasonably related to the purposes of the MSSP. The ACO governing body can make this determination for a wide range of arrangements, including, without limitation, start-up arrangements and ACO activities, as well as performance-based compensation dependent upon achieving quality thresholds or efficiency measures evaluated under the MSSP. The purposes of the MSSP consist of promoting accountability for the quality, cost and overall care through initiatives, including those described at 80 Fed. Reg. 66730-66731 for Medicare beneficiaries assigned to the ACO under the applicable regulations at 42 C.F.R. Part E.

Capitalized terms used herein, but not otherwise defined, shall have the meanings ascribed to such terms in the regulations governing the MSSP, located at 42 C.F.R. Part 425 (the “*MSSP Regulations*”).

DISCLOSED ARRANGEMENTS

The ACO Board of Managers (the “*ACO Board*”) has duly authorized the arrangements below and made a *bona fide* determination that each arrangement is reasonably related to the purposes of the MSSP because the arrangements will promote accountability for the quality, cost and overall care for Medicare beneficiaries assigned to ACO. The descriptions of relevant arrangements are set forth below for the purpose of the ACO availing itself of the protections afforded under the waivers specified for each

arrangement.

Arrangement #1 (ACO Participation Waiver): On December 15th, 2022 , the ACO Board approved an arrangement whereby the Sound ACO, through a contractual relationship with Sound Physicians Telemedicine, Inc. beginning January 1, 2023, provides telemedicine services to patients/residents of ACO Participants, ACO Providers/Suppliers, or ACO Other Entities¹. The arrangement enables the ACO to increase physician access, improve clinical quality, offer better coordination of care and improve overall costs of patients/residents of skilled nursing facilities through the provision of telemedicine physician services.

EHR Subsidy

The Sound ACO Board approved on March 15th, 2024 a subsidy program for the cost of certain electronic health record (EHR) technology to physician and advanced practice provider participants in the ACO who meet certain qualifications in order to position the ACO and its participants to engage in reporting aggregate Clinical Quality Measures (eCQMs) and Merit-based Incentive Payment System ("MIPS") clinical quality measures (CQMs) for the 2025 performance year.

Future arrangements will be added to this list.

¹ The term "ACO Other Entity" refers to "other individuals or entities performing functions or services related to ACO activities" as set forth in the MSSP Regulations.
